Greetings fellow travellers,

As we are on the verge of completing a very wet spring but beginning a hopefully, warmer and nicer summer, I am sure your thoughts are being enticed by many interesting, future, travel options.

Your District 20 RTO/ERO Travel committee has been working on two very spectacular trips for 2020. Planning for both trips is complete and each is ready to be booked.

The Northern Canada tour will be hosted by Nadene Strange. This tour, July 1 – 12, will include Yellowknife, Inuvik and a visit to Tuktoyaktuk as well as time in Whitehorse and Skagway, Alaska.

Dennis Quinn will host a September 2020 historical look at Germany. This 12 day tour, from September 18 - 29, includes Berlin during the 30th anniversary of the Fall of the Berlin Wall, Oktoberfest in Munich and a short cruise on the Rhine R. from Mainz.

2020 details for Northern Canada and Germany tours are now posted on the District 20 website

Regards,
Dennis Quinn
